Philadelphia March 19th 1848,

J. L. Inadwell Esq.

Dear Sir I received your letter of the 19th of Febr. a few days ago and was very glad to hear from you but was much surprised to hear that you had not recd. any news from me, as I had written you two or three times. — I have made quite a long stay in the City, on account of brother William, he arrived here on Friday morning last, and was so exceedingly anxious for me to stay and assist him, that I could not leave him well, — so I concluded to go to work with him — and I think we will leave here on Wednesday evening next. I had just finished my purchases and was ready to leave when he came. — Mr. Potts arrived here several days ago. I was somewhat disappointed when I found that Mr. Conner had not sent me any money by him, but I have made my arrangements satisfactorily without any. — though I used 237.50 belonging to the firm of B & Co. — I think you may safely say to our Customers that our stock of goods will

Equal if not Surpass any Spring
Stock we have ever had in quantity
style and Cheapness;—

Mr Fouch &
Mr Acorn are both here the quantity
of goods they are buying I do not
know, — Mr Wyckoff left a few days
ago;—

Tell the boys to Clean up and
make ready for the new goods for
I expect some of them will be there
pretty near as soon as I will. I
made my first shipment on Waggon
across the Mountains on the 8th Inst.
also some heavy articles by Sea at the
same time, the ballance I sent through
on the Canal, which I fear have been
detained, by the Freeze which has occurred
within a few days — though the weather
is now Moderated very much so I hope
they will not be detained long. —

I expect to have ^{5^{or}} home on the 23rd — so I will
there in a few days after this arrives. —

Excuse mistakes &c, yours Truly
